Hope & Encouragement through Faith

I have been speaking to groups of all ages for over 10 years. Whether it's a youth group, special needs ministry, women's event, church service, conference breakout session, or keynote, I will bring a message of hope in an engaging style to your ministry. In addition to speaking, I am an author, blogger, and host of Feed Your Spirit podcast. I live in NJ with my husband of 30 years and attend Bayside Chapel.

Speaking Topics

But God...

When the seeds of shame are planted, it crowds out the seeds of faith. Many of us allow others and ourselves to water the seeds of shame which will take over our hearts and minds. In this talk, we will explore how we can replace the seeds of shame with the seeds of faith to grow closer to God.

Beyond the Label

One of our biggest obstacles to living our best life is believing our identity is through the labels that others and ourselves place on our hearts and in our minds. Drawing on the story of the Samaritan at the Well, we will uncover that we have the power through Jesus to be reborn.

Using a Smile as a Shield

Want to know how we can foster stronger relationships within our lives and our churches? When we learn to stop using our smile as a shield and take up the shield of faith, we can encourage others to share their vulnerability and embrace them in love and grace.
